

A BUSINESS OWNERS GUIDE TO

INTENTION SETTING

UNLOCK THE POWER OF CLARITY

NIVI SINGH-KASSIRAM

Business Transformation Specialist

Hello there
I'm Nivi

"I am a Business Transformation Specialist and Founder of AccelerateHer, honoured with the Women of Wonder Award 2023.

My Mission is to in-power leaders and businesses to succeed standing at the intersection of experience, empathy and innovation by addressing strategic challenges and fostering growth.

With almost 20 years of corporate and entrepreneurial experience, I serve as a guide, propelling business owners and their teams toward peaks of prosperity.

My commitment lies in unlocking hidden potential while delivering measurable outcomes for personal and professional impact.

I attribute my success to my genuine investment in my clients, perpetually enhancing skills, sharing insights, fostering empathetic connections and possessing a deep understanding of the unique obstacles that business owners navigate.

I offer a range of services, from individual programs to workshops and masterclasses.

My personal framework is meticulously designed to guide clients toward success, increased profits, disruptive strategies and effective support structures, allowing them to focus on growing their business uniquely.

UNLOCK THE POWER OF CLARITY:

Business Intention Setting

In the world of business, having a vision is just the beginning. The path to success is paved with intentions and action.

To help you chart your course and propel your business towards your goals, we've created a powerful tool: **The Business Intention Setting Questionnaire.**

Are you ready to turn your business dreams into reality? This questionnaire is your compass, your guiding light and your roadmap to success. By taking a few moments to reflect on these thought-provoking questions, you'll gain the clarity you need to set your intentions and navigate your business journey with confidence.

So, let's get started! Answer these questions, uncover your true business aspirations and discover the transformative potential of intention setting. **Your path to intentional business growth begins here.**

SUMMARY

Reflect on these questions to gain clarity on your business intentions:

The Goal

What does Success mean for you?

Why is it important to you?

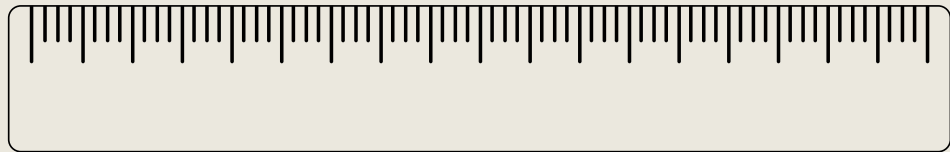

What's at stake?

SUMMARY

Reflect on these questions to gain clarity on your business intentions:

On a scale of 1 - 10 how far are you from the goal or success you desire?

1 2 3 4 5 6 7 8 9 10

What would a 10 look like for you?

What needs to happen (5 actions) for this to be a 10 for you? If you had absolutely no obstacles...

SUMMARY

Reflect on these questions to gain clarity on your business intentions:

Are there any challenges or obstacles you foresee that might hinder your progress?

How do you plan to overcome them?

SUMMARY

Reflect on these questions to gain clarity on your business intentions:

Who are the key stakeholders or support you need to involve to achieve your intention?

What key milestones will you use to track progress toward your intention?

What do you need to change to be able to align yourself with the SUCCESS you desire?

What will SUCCESS feel like for you?

NOW GO OUT AND DO IT!

By taking the time to answer these questions you've taken a significant step towards realising your goals and dreams.

The power of clarity in business cannot be understated and your willingness to reflect on these thought-provoking questions demonstrates your dedication to achieving success.

As you've delved into defining your main goals, crafting actionable steps, addressing potential challenges and outlining your strategies, you've laid a strong foundation for intentional business growth.

The commitment to collaboration, measurement, alignment and celebration will further enhance your path to success.

Now, as you look ahead, it's time to implement what you've discovered, to transform your aspirations into accomplishments and I want to help you do that!
